1. \Box It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph shove has been checked to indicate to the sortiony. A FORMAL WRITTEN RESPONSET TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office Section May be a substance of the Substance of the Substance of the Substance of the INTERVIEW DATE TO FILE ASTAIRMENT OF THE SUBSTANCE OF THE INTERVIEW DATE.

2. Since the Examinar's interview summary above (including any stactments) reflects a complete responses to, each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not refleved from providing a separate record of the Intent w unless box 1 above is also checked.

Examin r Note: You must sign this f rm unless it is an attachm nt to anoth r form.

FORM PTOL-413 (REV.1-96)

Manual of Patent Examining Procedure, Section 713.04 Substance of Interview must Be Mad of Record

A complete written statement as to the substance of any face-to-face or felephone intender with regard to an application must be made of record in the application, whether or not an egreement with the examiner was reached at the interview. 11000

§1.133 Interviews

(b) in every instance where reconsideration is requested in view of an interview with an exeminer, a complete written stetement of the reesons presented at the price was warranting fevorable action must be filed by the applicant. An interview does not remove the necessity for response to Office action as specified in §§ 1.111.1.135. (35 U.S.C.132)

§ 1.2. Business to be transacted in writing. All business with the Patent or Trademark Office should be transacted in writing. The personel ettendance of applicants or their attenue you again at the Patent and Trademark Office with the Patent or the Patent and Trademark Office with be based exclusion on the written record in the Office. Not ettendow with be paid to any aligned or all promise, Suprietion, or understanding in reletion to which there is disagreement or

The ection of the Petent and Trademark Office cannot be based exclusively on the written record in the Office if their record is itself incomplete through the failure to record the substance of interviews

It is the responsibility of the applicant or the ettomey or agent to make the substance of en interview of record in the epplication flie, unless the exeminer indicates he or she will do so. It is the examiner's responsibility to see that such a record is made and to correct material inaccuracies which bear directly on the question of

Exeminers must complete e two-sheet carbon interieal Interview Summery Form for each interview held efter January 1, 1978 where e matter of substance hes been discussed during the interview by checking the appropriate boxes and filling in the blanks in neat handwritten form using a bail point pen: Discussions regarding only procedural metters, directed solely to restriction requirements for which interview recorded no is otherwise provided for in Section 10 of the Manual of Patent Examining Procedure, or pointing out lypographical errors or unreadable stript in Office actions or the like, are excluded from the his interview recorded in procedure.

The Interview Summary Form shall be given en appropriate paper number, pleced in the right hand portion of the flie, and listed on the "Contents" list on the flie wrepper. The doctet and senial register cards need not be updated to reflect interviews. In e personal Interview, the duplicate copy of this Form is removed and given to the applicant or extensive or extensive or great the conclusion of the Interview. In the case of the leighbonic interview, the copy is mailard to the epplicant's correspondence address either with or prior to the next official contraunication. It additional correspondence from the exeminer is not likely before an allowance or if other circumstances dictete, the Form hand to be melted promptly after the deplehance interview after them with the next official communication.

The Form provides for recordation of the following information:

- Serial Number of the application
- -Name of epplicant
- -Neme of examiner
- Date of interview
- Type of Interview (personal or telephonic)
 Neme of participent(s)) (applicant, ettorney or egent, etc.)
- An indication whether or not an exhibit was shown or a demonstration conducted
- -An Identification of the cleims discusse
- -An identification of the specific prior art discussed
- An indication whether en egreement was reached and if so, a description of the general nature of the agreement (may be by attachment of a copy of emendments or claims agreed as being ellowable). (Agreements as to ellowable) are tentative and do not restrict further ection by the examiner to the
- ture of the examiner who conducted the interview
- es of other Patent and Trademark Office personnel present.

The Form also contains a statement reminding the applicant of his responsibility to record the substance of the interview.

It is desireable that the examiner orally remind the epplicant of his obligetion to record the substance of the interview in each case unless both applicant and exeminer agree that the exeminer will record-same. Where the examiner agrees to record the substance of the interview, or when it is adequately recorded on the Form or in an attechment to the Form, the examiner should check a box at the bottom of the Form Informing the applicant that he need not supplement the Form by submitting e separete record of the substance of the interview.

it should be noted, however, that the Interview Summary Form witl not normelly be considered a complete end proper recordation of the interview unless it includes, or is supplemented by the applicant or the examiner to include, all of the applicable items required below concerning the substance of the interview:

- A complete and proper recordation of the substance of any Interview should include et least the following applicable items:
- 1) A brief description of the nature of eny exhibit shown or eny demonstration conducted,
- e) en Identification of the claims discussed.
 on identification of specific prior and discussed.
 a) en Identification of the principal proposed amendments of a substantive nature discussed, unless these are alreedy described on the Interview Summary Form completed by the exeminer,
- 5) a brief identification of the general thrust of the principal arguments presented to the examiner. The identification of arguments need not be lengthy of 5) a brie identification of the general must or the principal arguments presented to the examiner. In examiner in examiner is estimated to the examiner debetore. A vertical more highly describe those of the examiner can be understood in the context of the epidesic position file. Of course, the applicant may desire to emphasize and fully describe those erguments which he feels were or right by persuasive to the examiner. Of course, the applicant may desire to emphasize and fully describe those erguments which he feels were or right by persuasive to the examiner.
 6) a general indication of any other pertinent matters discussed, and
 7) If appropriets the general results or outcome of the Interview unless already described in the Interview Stimmery Form completed by the exeminer.

iew the applicant's record of the substance of en interview. If the record is not complete or accurete, the examiner will give the applicant one month from the date of the notifying letter or the remainder of any period for response, whichever is longer, to complete the response end thereby avoid ebandomment of the application (37 CFR 1.135(c)).

Examiner to Check for Accuracy

Applicant's summary of whet took piece at the interview should be carefully checked to determine the eccuracy of any engument or statement ettributed to the examiner during the Interview. If there is an Inaccuracy and it bears directly on the question of patentability, it should be pointed out in the next Office letter. If the claims are ellowable for other rescore of record, the exeminer should send a letter setting forth is to reh version of the statement intributed to the rife. The riscord is completed and accurate, the examiner should place the inclination Tenterview event off or on the paper recording the substance of the interview event with the date end. the exeminer's initials
